**Statement of Qualifications**

Al is a Senior Partner and the National Practice Leader of the Morneau Sobeco's Regulatory Practice. He has more than twenty-seven years of insurance and pension experience, and has been providing actuarial and consulting services to regulators and supervisors of insurance companies, pension funds, social security schemes, and healthcare providers in North America, Central America, South America and the Caribbean since 1993.

Al is the Lead Partner responsible for servicing government ministries and regulators in Barbados, Bahamas, Belize, Bermuda, Canada, Cayman Islands, and Jamaica. He has also provided assistance in regulatory training and development to several Eastern Caribbean jurisdictions including Antigua and Barbuda, Grenada, St. Lucia, and St. Vincent and the Grenadines. His international experience also includes providing regulatory assistance to the Brazilian pension supervisory agency.

In February 2008, Al organized and hosted a regulatory meeting in Miami for pension supervisors from Barbados, Bermuda, Canada, Cayman, Jamaica, and Trinidad and Tobago to discuss regulatory challenges in pension supervision and setting-up a Caribbean Association of Pension Supervisors for the region.

Al recently returned from India where he met with the Ministry of Finance, and the Pension Fund Regulatory and Development Agency, the newly appointed pension supervisor set up by the Government to regulate pension plans in India, to address pension regulatory issues in a developing country.

Al graduated with a degree in mathematics from York University in Toronto. He is an actuary and a member in good standing of the Canadian Institute of Actuaries, the Society of Actuaries in the USA, and the Caribbean Actuarial Association.
